Changing kids' lives through transformative summer camp experiences

~A Thousand Summers' Mission Statement

Dear Campership Mentor,

Welcome to A Thousand Summers' volunteer team who have dedicated their time to providing the camp experience to underserved youth.

Mentoring a child to attend a summer residential camp is a life-changing event not only for the child but for you as well. In order to prepare you for that adventure, we have mapped out a path for you so you understand what will be required of you in the role of Mentor.

It is our firm belief that we are changing the lives of children by providing them with this opportunity to attend a summer residential camp. Thank you for helping us achieve our important mission.

You are welcome to contact me with any questions you may have along the way. I look forward to working with you.

Campership Mentor Program Description

WHAT IS AN ATS CAMPERSHIP MENTOR?

A Mentor is a person with youth development experience that provides support to the Applicant/Camper Family throughout the Campership process. The Mentor plays an essential role in the 'check and balance' system ATS has developed to ensure we are serving those children for which the campership was designed.

Mentors may be veteran volunteers for the foundation that have worked in a particular region of the country, personnel within a partnering youth services agency or school or a person selected by the Camper who is willing to become a volunteer for A Thousand Summers.

All ATS Mentors must be screened and approved by ATS by completing an [ATS Volunteer Application](#).

WHAT ARE THE KEY MENTOR RESPONSIBILITIES?

- Complete the ATS Volunteer application to receive ATS Volunteer vetting
- Complete a Mentor Statement (provided by ATS office) on behalf of Applicant
- Actively support the Applicant and Family through the Campership Application process (form completion, securing two References, making camp preference designation, etc.)
- Assist the successful candidate with camp enrollment and preparation for camp (acquire needed gear, equipment, and clothing and plan transportation to and from camp or airport).
- Advise Camper through Capstone Service Project when applicable (*See Capstone Mentor Guide and Capstone Program Guide in Resources*)
- Meet with Camper and Family after camp to assist with post-camp requirements
- Meet with Camper and Family to complete a renewal application, if desired.

WHO CAN BECOME A MENTOR?

- Mentors will be at least 21 years old with current professional experience or prior background in education, youth development, counseling, coaching, ministry or youth related fields
- Mentors will live in the Applicant's geographic hometown
- Mentors will give one to two hours per month to support the Applicant/Camper Family
- Mentors will commit to Mentoring the camper for the 'life-span' of the camp experience
- Mentors may NOT be related to the applicant

WHAT IS THE IMPORTANCE OF ONGOING MENTOR COMMITMENT

Once an Applicant receives an ATS Campership, they are eligible to reapply for funding throughout their lifespan as a camper. Therefore, a Mentor commitment may be for multiple years. Providing this continuity paves the way for Campers to realize the potential life-changing youth development opportunity that multiple years at Camp offers.

WHAT IS A CAMPSHIP AND WHAT DOES IT INCLUDE?

A Campership is a scholarship to one of the ATS recognized Associate Camps, and it includes:

- Partial Tuition for one 2-4 week camp term per summer
 - Transportation Assistance (if requested)*
 - Equipment Assistance (if requested)*
 - Camp Store Assistance*
 - Support from the Mentor throughout the campership application process, camp enrollment process, Capstone Service Project (when applicable)
 - Potential to reapply for funding throughout the lifespan of the camper
- *Available to applicants enrolled in the Full Support Program. Not available to those in the Partial Support Program. (See [Income Eligibility-Family Contribution Table](#))

HOW MANY APPLICANTS/CAMPERS CAN ONE PERSON MENTOR?

Serving as a Mentor for a Campership Applicant/Camper could take a couple of hours per month. (See *Mentor Responsibilities/Timeline below*). We recommend that first year Mentors, work with one Applicant Family. Veteran Recruiters may submit TWO new applications each year in addition to any renewals unless otherwise advised by ATS staff. Partnering Youth Organization Mentors may work with the number agreed upon between their organization and ATS staff.

WHAT ARE THE ELIGIBILITY REQUIREMENTS FOR A CAMPSHIP APPLICANT?

- Applicant will be **10 years old or older** by June 1st
- Applicant will be able to be away from home for up to 4 weeks
- Applicant will be from a family with income generally not exceeding 500% of Federal Poverty Guidelines. (See [Income Eligibility-Family Contribution Table](#))

ATS will fund any tuition not covered by the family contribution. Camp Tuition fees to be paid by Camper Family must be paid directly to the A Thousand Summers by April 1st. Any unpaid balance after April 1st could result in forfeiture of campership. (See [Income Eligibility-Family Contribution Table](#) in Resources)

Camp Bank Expenses: For campers whose Family Income falls within the posted range for 'Full Support' on the ATS Income Eligibility-Family Contribution Table, ATS will credit the Camp Bank in the amount outlined in the Campership Agreement. ATS is not responsible for any unresolved Camp Bank or any other accrued expenses due to Associate Camp. Family must settle all Associate Camp balances prior to reapplication for ATS funds.

Transportation: For campers whose Family Income falls within the posted range for 'Full Support' on the ATS Income Eligibility-Family Contribution Table and for whom request is noted on the ATS Campership application form, ATS will arrange and fund travel costs to include airfare, baggage fees, UM fees, shuttle fees to and from destination airport for camper only. Transportation: ATS will not fund or reimburse for transportation to and from the Camper’s home to their home airport or car travel to and from camp. WHAT IS THE CAMP BANK?

The Camp Bank is a fund from which a Camper may draw during their time at Camp to cover items like daily snacks, shampoo, stamps, or a camp logo sweatshirt. The Camp Bank eliminates the need for the Camper to keep track of, or carry money while they are at Camp. Any charges that exceed the agreed upon contribution by ATS are the responsibility of the Camper Family. Renewal Campers with outstanding balances at the Associate Camps from the prior year will not be considered by ATS for renewal until the balance is paid in full.

WHAT FORMS MUST THE MENTOR COMPLETE?

The following forms are to be completed by the mentor:

1. [ATS Volunteer Application & Forms](#) provide information enabling ATS to vet volunteers to include a background check and references. It is to be completed and approved *before* the Mentor can begin working with a Campership Applicant as a

representative of ATS. The ATS Volunteer Application only needs to be completed the first year of service. A background check will be completed each subsequent year of service.

2. **Mentor Statement** is provided to Mentor by ATS Campership office upon applicant beginning Campership Application. It assesses the Mentor's recommendation regarding the Campership Applicant's readiness for camp. The Mentor Statement is to be completed according to the Campership Application due date schedule.

WHICH CAMPERSHIP APPLICATION SHOULD THE APPLICANT COMPLETE AND WHEN IS IT DUE?

The **First Summer Campership Application** is for a Campership Applicant who is applying for ATS funding for the first time. **First Summer Campership Applications are due November 1st.**

The **Capstone Campership Application** is for the 15 year old returning camper that desires to give back to their community. Capstone Campers will complete a service project under their Mentor's direction during the school year as part of their campership experience. *The Capstone program is not mandatory but is highly encouraged.* For more information about the [Capstone Program](#) see the [Capstone Mentor Guide](#) and the [Capstone Program Guide](#). **Capstone Campership Applications are due October 15th.**

The **Renewal Campership Application** is for a Campership Applicant who is re-applying for funding following receipt of one or more Camperships. NOTE: If a Campership Applicant will be 15 years of age by the time of camp and are interested in completing the Capstone Service Project, they are highly encouraged to select the 'Capstone Campership Application'. **Renewal Campership Applications are due November 1st.**

HOW DOES THE APPLICANT SELECT A PREFERRED CAMP AND TERM?

The Mentor should familiarize themselves with the Camps that are available for selection by viewing the [Camp Directory](#) on the ATS website and Associate Camp websites. The Mentor then meets with the Applicant and Family to review the program descriptions and websites in order to guide the selection.

If the Mentor attended one of the Associate Camps, it is important NOT to show preference or bias for this particular camp. Talk about the attributes of attending a summer residential camp in general terms and consider the best fit for the Applicant.

ATS makes every effort to place Campership Applicants at their preferred choice of Camp. However, placement depends upon space availability and best use of campership funding. With this in mind, Mentors should emphasize that NO child is guaranteed a Campership, and he or she may not receive their preferred Camp selection.

WHAT IF A CAMPERSHIP IS NOT AWARDED?

Occasionally an application is submitted that is not a good fit or the Family income exceeds the Financial Eligibility Guidelines threshold. When this occurs, the Applicant and Family are notified that he or she did not receive a Campership. The Mentor will also be notified of the decision.

WHAT IF APPLICANT IS PLACED ON WAITLIST?

If an Applicant is approved but all Camperships have been awarded, he or she has the option to be placed on a Waitlist. As Camperships become available, the Waitlist Applicant and Family, as well as the Mentor will be notified.

Applicants on the Waitlist who are not accepted may reapply for future funding.

WHAT ARE THE RESPONSIBILITIES OF THE MENTOR AND ATS IN HELPING THE CAMPER ACQUIRE EQUIPMENT AND CLOTHING FOR CAMP?

The Mentor should review the Camp's Packing List with the Camper and Family. Note items needed and assist with acquiring those items by:

- Check with the Camp for availability of loaner or rental equipment.
- Ask friends or colleagues for any equipment that the Camper may be able to borrow
- Visit local thrift shops, flea markets and second hand stores (i.e., Goodwill, Play It Again Sports)
- Visit local stores' 'scratch and dent' sales or 'Garage Sales'
- Visit online camp equipment stores (*See Equipment & Clothing Resources in Resources*)

If a Camper is in need of required equipment as listed on the Camp's Packing List (riding boots, sleeping bag, backpack, etc.), the Camper Family may apply for Equipment Assistance. With demonstrated need and preapproval from the ATS Office, a portion of select items may be reimbursed. (*See [Equipment Assistance Guidelines](#) in Resources*)

HOW DOES A MENTOR HELP A CAMPER IDENTIFY ADEQUATE EQUIPMENT FOR CAMP?

The following equipment is generally required for a summer at Camp. However, for a more detailed list refer to the Camp's specifications and recommendations or contact the camp directly.

- **Sleeping bag:** Discuss importance of a warm sleeping bag for residential camping. A cotton bag is not appropriate for cold overnights.
- **Hiking Boots:** Quality hiking boots with good ankle support should be acquired several months ahead of time so they can be 'broken in' before having to be worn at camp to prevent blisters.
- **Riding Boots:** English or Western riding boots are required for participation in horseback riding.
- **Backpacks:** Campers will need a quality day pack or large outcamping pack, depending on the Camper's level of interest.
