

Jack Cheley Endowed Campership

JOHN “JACK” AUSTIN CHELEY: THE DREAM THAT SPARKED A THOUSAND SUMMERS

Jack Cheley believed in the words of his father that “great things happen when youth and mountains meet.” From the time he took over the leadership of Cheley Colorado Camps in 1941 until his death in 1987, Jack worked tirelessly to promote the value of a high-quality summer camp experience and to raise the bar for independently run camps around the country. When the opportunity arose, Jack was committed to making sure that kids from all walks of life were able to attend camp and experience the magic that happens there: new friendships, new adventures, and new opportunities for growth.

At the time of Jack’s death, some of those who were so positively influenced by him got together and worked for two years to form the John Austin Cheley Foundation to honor Jack’s vision and ensure that kids who would not otherwise be able to afford to go to camp could do so. For the past 30 years, the continued hard work and generous support of individuals no less visionary or motivated than our founders has led to the awarding of more than 1300 camperships, providing experiences which redefine what is possible in a young person’s life. ***In celebration of the 30th anniversary of the John Austin Cheley Foundation, we would like to honor Jack’s vision by establishing the Jack Cheley Endowed Campership.***

We hope that you will join us in honoring Jack’s legacy by making a contribution to this \$150,000 endowed campership campaign. A gift to the Jack Cheley Endowed Campership will ensure that a camper goes to camp every year in the spirit in which Jack intended, developing lasting character and resiliency through challenging experiences in a supportive and natural environment.

Jack’s dream sparked a thousand summers and continues to guide and inspire us today. ***Our past is to be celebrated. Our value is great. Our future is bright.***
