CAPSTONE MENTOR GUIDE

Dear Capstone Mentors,

Welcome to the Capstone Program. We are so excited that you will be participating this year! We believe that service to others is a natural extension to the values and ideals learned at camp.

Now it is time to look ahead to the 2021-2022 camp season which includes the Capstone Program. Older campers are given the opportunity to extend the care and concern they experienced at camp to their own communities. During the school year, campers work with their mentor to design, plan, implement, and evaluate a local service project.

As in much of our society, the coronavirus has provided extra challenges for the Capstone Program. How do we provide service to others, which often involves face-to-face interactions, while following health and safety guidelines?

The creativity, flexibility, and ingenuity of our mentors and campers has been fantastic! They have found significant ways to be of service while navigating the ever changing landscape of healthy best practices.

Last year's projects included a book drive for a women's shelter, growing fruits and vegetables for a food shelf, a neighborhood trash clean up, assembling care packages for a homeless shelter, collecting cleaning products for a food pantry, and teaching music to preschool children.

The Capstone Program continues to extend and enhance the personal growth and the service to others which are part of the camp experience. We are excited to see what your Capstone Camper creates and how it benefits their community.

As always, the Capstone Coaches and I are here to support you in the Capstone Program in any way we can. We look forward to another summer of significance in 2022!

ATS CAPSTONE CAMBERSHIP PROGRAM

WHAT IS THE CAPSTONE CAMBERSHIP PROGRAM?

The Capstone Campership Program gives the 15 year old returning ATS camper the opportunity to give back and grow. Experienced campers have received the benefit of camperships to high end summer camps where they have had life changing experiences. ATS believes they have much to offer their camp and home community. The Capstone Program Guide walks the camper through planning, implementing, reflecting on, and reporting on a school year service project in their local community. Lessons learned become the foundation for leadership training the following summer at camp.

WHAT SAFETY CONSIDERATIONS SHOULD BE MADE THROUGHOUT THE CAPSTONE PROGRAM?

When deciding upon a Capstone Service Project please take notice of all relevant guidelines relating to COVID-19 and pay attention to ensure you and your camper's health and safety as well as that of any people the project is intended to serve. A Thousand Summers does not endorse Capstone Service Projects that breach current health and safety guidelines.

WHAT CAMP FUNDING DOES THE CAPSTONE CAMBERSHIP OFFER?

Capstone Camperships offer the same camp funding support as previous camperships per family qualifications.

WHO SHOULD APPLY?

The Capstone Campership Program is for the returning ATS Applicant who will be 15 years old at the time of camp session. *Participation is not mandatory but is highly encouraged.*

WHEN ARE CAPSTONE CAMBERSHIP APPLICATIONS DUE?

Capstone Campership Applications are due no later than October 15th.

WHY PARTICIPATE IN THE CAPSTONE PROGRAM?

- Capstone Program service projects strengthen the camper's community and provide an opportunity to give back
- Capstone Program service projects promote personal growth and civic responsibility
- Capstone Program service projects give campers professional experience and an opportunity to test out a potential career
- Capstone Program service hours accrued may count towards school community service requirements
- ATS shares Capstone Camper Program outcomes and accomplishments with the camper's Associate Camp to enhance leadership program applications (CILT/CIT/JC/Pathfinding, etc.).

WHAT IS THE CAMPER'S ROLE?

The Capstone camper, with the guidance of their Mentor, will:

- Complete the Capstone Program Guide
- Implement a service project in the camper's home community
- Create a digital presentation of the service project.

WHAT IS THE MENTOR'S ROLE?

The ATS Mentor will support the Capstone camper with the following, as needed:

- Service project development
- Service project implementation
- Reflection
- Service project digital presentation production
- All Mentor contact with the Capstone Camper (email, phone and video calls, text or in person) will be conducted with at least one Parent/Guardian present.

WHAT IS THE CAPSTONE COACH'S ROLE?

The Capstone Coach will support the Mentor with all aspects of the following, as needed:

- Contact Mentor in fall to establish relationship
- Support Mentor through all aspects of the Capstone Project
- Serve as a point of contact for Mentor for all Capstone questions, concerns, etc.

WHAT IS THE CAPSTONE PARENT/GUARDIAN ROLE?

The Capstone Parent/Guardian understands:

- The Capstone Service Project is camper focused - the CAMPER is to do the work, not the parent.
- Parent/Guardian will be on all phone or video calls
- Parent/Guardian will be copied on all email, texts, etc.
- Parent/Guardian will always be present for in person meetings
- Contact ATS Campership office with extenuating circumstances

PRINCIPLES OF REFLECTION

A key piece of the Capstone Service Project is requiring the Capstone camper to regularly reflect on the process of creating and implementing their ideas through weekly prompts given by their mentors.

- Reflections serve as a record of work completed, challenges overcome, personal characteristics that were identified as helpful or a deterrent to progress, etc. They may also evaluate if project planning and implementation are on track.
- Guided reflection is best for teenagers, therefore, questions/prompts are provided to which campers respond. Mentors are welcome to create additional prompts that address specific interests or needs of the camper.
- Getting kids to complete reflections may be a challenge! Adapt the format as needed to get desired responses. For example, share a Google doc, set up a blog, verbally ask the question and take notes on the camper's response, start a text stream where the mentor sends prompts and the camper responds or send pictures of written responses to Mentor, etc.
- Reflections will serve as a resource when preparing final presentation

Capstone digital presentation and Capstone Program Guide (including Reflection Responses and calendar) are due to the ATS by this date.

Capstone Open House - April 24th, 1:00 pm MDT

The Capstone Open House is an opportunity for the Capstone Coaches, Mentors, Campers and their families to get together remotely and celebrate the accomplishments of the year. Capstone Campers will be given 5 minutes to deliver their service project presentations and be given brief feedback. This will be a great opportunity for the campers to practice speaking to a group and give the audience an opportunity to understand the way they served in their communities and provide feedback. Campers are not required to present but are encouraged to participate.

CAPSTONE SERVICE PROJECT FOLLOW-UP

ATS requests that the Capstone Mentor complete an evaluation of the service project. This document will be sent to you by the end of March.

ATS will forward camper's Final Presentation and highlights to Camper's Camp Director and will copy the Mentor and Coach.

ATS will feature Capstone Project Presentations on the ATS website and other social media.

Sample Email to Make Initial Contact with Capstone camper and parent.

*Remember to direct conversation to the camper but copy each parent on all correspondence

Hello Mechaela, Jennifer and Charles,

Congratulations on Mechaela's acceptance for a Capstone Campership through A Thousand Summers (ATS)!

I am writing to begin the discussion about Mechaela's Service Project that is a requirement for the Capstone Campership. I will be supporting Mechaela's through her Service Project.

I would like to set a time to speak with you by phone to get the process moving forward. Would you be available for a phone call in the evening on December 4th? I will need to speak with Mechaela and at least one parent. If this is not enough notice, please suggest another day/evening and time that would work for a call during the next week.

Let me know what phone number would be the best for me to use to contact you.

Please download and read the [Capstone Program Guide](#) from A Thousand Summers' website at www.athousandsummers.org on the Campers page under Resources. In our phone call, we will begin to discuss specific sections of the Capstone Program Guide. Please **read through all of the sections** to spark additional thoughts and questions that we can discuss in our call.

I am excited to work with Mechaela in this endeavor and look forward to your response to this email.

Have a great weekend.

Sample follow-up email after initial Capstone phone call with Camper and Parent.

*Remember to direct conversation to the camper but copy each parent on all correspondence

Dimitri,

It was good to talk with both you and your mom yesterday. I enjoyed hearing about the play you are in and can't wait to hear how opening night goes.

After each of our phone calls, I plan to send you a brief summary of what we talked about.

Last night we discussed:

A. REFLECTION:

As a learning component, we talked about you writing me a Reflection response by Tuesday each week. You may find that you want to write more often than once a week and that would be great. Be sure and copy your parents on all of the emails that you send to me.

I'll look for at least **one Reflection email from you before Tuesday, Jan. 19th** on the following topic:

Describe how you are progressing toward making the decisions about your service project and what gave you the idea to do this particular project.

B. SERVICE PROJECT

- We looked through the Capstone Program Guide.
- We discussed Section II: Project Requirements and reviewed the Capstone Project Proposal from your application.
- We talked about recruiting some of your soccer team to help with your clean up project including a sport gear donation drive to add more depth and challenge to your project
- Using these comments to complete Section III: Project Description

Assignment **Due: Tuesday, Jan. 19 by email.**

- **Finalize Section II: Project Description**
- **Complete Section III: Project Description** for our discussion next week.
- **Reflection email**

I look forward to our **next phone call meeting on Tuesday, January 19th at 6:00pm MST**. If you have questions before then, feel free to email me or call me at 720-981-2532 x.

Have a good week,

Sample email to camper to explain Final Presentation

Dimitri,

Congratulations on your efforts at Harvest Prep. The time that you gave serving this group has bettered you and your community.

We have reached the final component in the Capstone Project. As we discussed last night, you are to prepare a final presentation as a summary of your project. Look at Section VII in the Capstone Program Guide for the requirements to include in your Project Final Presentation. Look back at your Reflection responses and Capstone Program Guide responses to complete the presentation requirements.

Next time we meet, plan to have your presentation in “Rough Draft” form. We will look through it, make sure that all of the requirements have been met and consider any needed revisions.

Final Presentation is **Due to ATS by email on April 15th**.

Please let me know if you have any questions about this assignment.

I am so proud of you!

All the best,
